Technology  
Sep 2019 - Present

Innovative optimized solution seeker. Excited to be at the deployment phase of my new career as a **Full Stack Web Developer**. I am ambitious, adventurous and workaholic by nature .

Completing my undergraduate degree from a Chinese university , a country which really focuses on practical aspects of the job world in its courses.

- **Job Objective:** My sole purpose is to work as a **Full Stack Web Developer** and to help take a particular company to a global level. I am a vice monitor in my university, so it is a very easy job for me to bring the best out of my colleagues. I tick all the boxes when it comes to being a professional **Full Stack Web Developer**.
- **Award : NUIST Full Scholarship** holder since the last 3 years.
- **Ability :**  
Good communication.  
Able to work independently with minimal day-to-day.  
Willingness to learn & work hard.
